

FLEETWHIZ™ CD – MINIMUM SYSTEM REQUIREMENTS

Introduction: To operate the FleetWhiz™ Software program, ensure that your computer meets the following minimum requirements.

Remarks:

1. Your computer may already have a version of Adobe Reader installed, however it is highly recommended that you download the latest version to enhance document viewing and navigation. We have included a link on the FleetWhiz™ CD to the Adobe website where you may download this program free of charge, in the "User's Guide to Getting Started" tab on the FleetWhiz™ Decisionmaking Tools Main Menu.

Illustration – FleetWhiz™ CD Minimum System Requirements

1. Intel Pentium II, AMD Celeron processor or higher
2. 256 MB RAM recommended
3. Microsoft Windows 2000, XP, Vista
4. CD/DVD ROM for installation
5. Latest version of Adobe Reader installed to view files. Adobe Reader can be downloaded for free at www.adobe.com.
